Dear Harold:

Great news about your wife. I can imagine how thrilled both of you are. Miracles do occur sometimes!

The thought that Posner's book was nominated for a Pulitzer Prize is enough to make me vomit. I had heard about this a few months ago, and was much relieved by the History Committee's decision not to bestow that honor upon him.

I hope your book will enjoy growing success. Everyone who has read it that I know of found it interesting and informative.

With best wishes.

Sincerely,

Cyril
